

May Monthly Minutes

Summer 2018 is fast approaching and most children will be on an extended break from school. While every child deserves a break from the rigor of school, summer vacation offers exceptional opportunities for children to learn and develop outside the structure of formal school.

CRA has two templates for you use, send home, make your own to help support skills during the summer months.

End of the school year
procedures

Make sure you follow your districts

“end-of-the- school year” procedures. This could include documenting progress towards goals, checking in computers, preparing your room, locking the file cabinet. Reach out to your district “leads” to see what you need to be doing.

Don't forget to refer a colleague!

Remember the \$500.00 Referral fee you can earn by referring a friend.
